

### **Feds Feed Families: MCICOM Chaplain, Captain Steven Unger Contributes to the Effort in 2014**

The Navy and Marine Corps will kick-off the 6<sup>th</sup> annual "Feds Feed Families" food drive at the Navy Yard on June 10 from 1100 to 1300 at Admiral Willard Park. Stop by on your lunch break to enjoy live music and learn more about how you can help those in our community. Captain (USN) Steven Unger, Marine Corps Installations Command Chaplain, will carry the torch as an organizer this year.

"Many of us have done humanitarian operations in other countries, now this is our chance for humanitarian assistance right outside our gate. Donation boxes will be near the exits at the commissary, so doing the right thing has never been easier," said Captain Unger

The "Feds Feed Families" Food Drive is one of the largest annual charitable campaigns in the nation with Federal employees donating food in the summer months when need is at its highest for children out of school and not receiving subsidized meals.

Non-perishable food donation boxes will be on site as well as representatives from the Capital Area Food Bank and DC area non-profit charities devoted to fighting hunger in our city. One single can, box, or bag of food means kids this summer will still receive breakfast, lunch, and dinner!

The drive will end in August with a grand finale event aboard Joint Base Fort Myer-Henderson Hall.

For more information and other ways to get involved, please contact LT Thea Lopez, DON "Feds Feed Families" Operations Officer, at (703) 571-7059, or the MCICOM Chaplain, Capt Steve Unger at (571) 256-8455.
